Newark, N. J.

My dear Mrs. Manley:

This is just to let you know that I have not forgotten your letter of the 1st inst. I really want to carry out your request. I approve of it. I am simply trying to determine how practical it is and I expect to let you have a definite answer in a day or two. It is just a question here of housing. We are pretty well filled up and I am not sure that we would be able to take care of the players while our school is in regular session.

Very truly yours,

W. R. Valentine

Principal.
